

Our Lady of Mount Carmel Catholic Church

THE ASSUMPTION OF THE BLESSED VIRGIN MARY August 15, 2021

Erected in 1936, the entire structure reflects the architectural style developed by missionaries, combining the building patterns of the Pueblo Indians with Spanish-Colonial design. Even the landscaping, with carefully selected shrubs and trees, is typical.

Luke 1:39-56

Reflection: This week we celebrate the Assumption of Mary. The gospel reading recounts the meeting of Mary with her relative Elizabeth. Both are carrying children promised by God in their wombs. Their words glorify the Lord and His promises. They recognize that God has chosen them and not the rich and pompous to carry out His plan. He chooses all of us to do His work and to spread His joy.

Question: *The infant in my womb leaped for joy.* When have I responded to God with joy? How can I share the joy of the Gospel with everyone I meet?

Faith Response: I will do God's work and concentrate on spreading JOY to everyone I can this week.

ADORATION OF THE BLESSED SACRAMENT

Adoration of the Blessed Sacrament

Prayer and meditation before our Lord in the Blessed Sacrament are great ways to spend some special time with Him. You can ask Him for graces for yourself or for loved ones, reflect on His Word, or just keep Him company! And it's no bother for Jesus. In fact, He very much *wants* to see you!

Adoration is held every Wednesday, from 3:30pm to 6pm in the Main Church.

From our Principal's Desk...

Greetings from OLMCS! I am happy to share our annual August Summer Update especially as some of you are wondering, "What will school look like this year?" Although we continue to be in a constant state of change as a result of the pandemic, there are some glimmers of hope for the new school year as the most up-to-date guidance from Public Health reflects a growing body of research about COVID-19.

Our Monday-Thursday daily schedule will return to 8 a.m. to 3 p.m. with more expedient morning drop off (beginning at 7:40) since we will no longer need to do daily temperature checks. For now we will keep Friday as an early dismissal day from 8 a.m. to 12:20 p.m. to allow for staff collaboration and planning time both related to student learning and school safety as we weather the end of the pandemic. On a positive note, the requirement for cohorting has been lifted meaning we will once again be able to offer Extended Day Care for K-8 each day (including Fridays) until 5:15 p.m.

We will continue to hammer out the details of other protocols in light of the updated guidance, relative to our school. If you would like to read the full guidance from the CA Department of Public Health.

I am feeling excited for the many updates for the new school year. I have broken the message into a series of blurbs below for easier reading and to allow you to quickly reference different topics. I hope you all are enjoying a great summer, and I look forward to a wonderful 2021-22 school year!

Safeguard Our Children
Did You Know?**Prep your children with scripts to stay safe**

Role-playing with your children is a critical step in keeping them safe from abuse, peer pressure, and other dangerous situations.

Prep your children with the language they need to say “stop,” or “no thanks,” or to express any discomfort. Talk through different scenarios with them and have them practice how they would respond in their own words. Arming children with strong, confident responses to

uncomfortable situations will help them draw on those words when they need them. For more information, request a copy of the VIRTUS article “Ten prevention practices you may not have considered,” at <https://lacatholics.org/did-you-know/>.
